## Support for Students on Quarantine

### STATION CAMP ELEMENTARY

#### Initial Quarantine Contact

#### I just received the call that my child needs to quarantine. What's next?

- Check your student's Google Classroom for up-to-date assignments and learning resources. Your teacher will reach out and post daily assignments.

#### How will I be informed that my child needs to be quarantined?

- You will receive a phone message sent from the district, an email forwarded from the principal and a letter stating return date.
- Students will be required to quarantine if in close contact with a positive case at school.

#### How will students get needed materials for at-home learning?

- The majority of at-home materials will be provided through Google Classroom. If you cannot access the Internet, please contact your school for guidance on when to pick up materials. Some teachers may set up pick up times if specific items are needed.

#### Learning While on Quarantine

#### How will my student learn while on quarantine?

- Your classroom teacher will set up Google Classroom daily to support student learning. Videos, independent practice and assignments can all be found on your Google Classroom. Students will have flexibility of time and can complete when it works best for your family.
- Teachers will not be teaching live during a quarantine as they are teaching in other capacities. They are available for scheduled Zoom times if your child has questions about a specific activity.

#### Attendance, Student Work, Grades

#### How is attendance taken during quarantine?

- Students are marked present while on quarantine if they complete their work.

#### How do I submit my student's work?

- Work is submitted via Google Classroom unless there is another method discussed and arranged with the teacher.

#### How will my student receive grades on assignments?

- Grades and feedback on assignments will be posted in Google Classroom.

**Support for Parents**

**How do I help my child learn? What resources are available to help?**

Look on your child's Google Classroom for assignments, helpful resource lists and tips. Teachers will post assignments and activities daily.

Please visit the Sumner Connect Parent Page.
