

TAILS & TALES!

This year the Hendersonville Public Library proudly presents a hybrid summer of fun. We are easing back to in-person programming with fun family Saturday events, like a visit from the Hendersonville Fire Department, Kona Ice, and even a pet adoption day!

See calendar and website for details.

Kids will read for prizes. All they need is a paper log to track their minutes and challenges. Listeners will earn a free book after completing their log. Kids 3-7 will earn incentive prizes, and kids 8-12 will get a free book for participating, and for each level reached, a chance to win a gift card in our drawings.

They must bring in their log to collect prizes.

Staff will stamp booklets to verify level completion.

Grand Prize is a \$100 gift card.

While supplies last!
