principal A Word from the

It's May! It's amazing how quickly this year has gone by and the last month of school is such a fun time of year. Field Day, special events, special guests, and end of year parties are just a small part of the fun.

One big announcement we are waiting on this month is TSIN's list of newly designated STEM schools that will be released in just a couple of weeks. We feel confident that the work we've done over the past 3 years will be enough to earn us this recognition.

We have worked hard to provide

opportunities for our students to have access to technology to enhance their learning, connect what they are learning to real-life careers and skills; as well as promoting creative thinking, problem-solving, and collaboration. Too often, students don't have these necessary skills and we have made it our mission to be intentional about setting our students up for success; not just for a state test, but for opportunities and challenges throughout their life. Thank you for partnering with us to reach our goals.

Medication Reminder

If your student has or will receive medication during their school day please make note, all medications (prescription and non-prescription) **MUST be picked up by a parent, guardian or parent-designated adult, by the last full day of instruction,** and/or if the child transfers to another school. The school is unable to properly store medications over the summer. **Medications that remain in the school clinic will be disposed of after dismissal, on the last full instructional day of school, May 22, 2019.** Should you have any questions, please contact your school nurse.

Thank you,

New Student Yearbook Purchase and Yearbook Drawing

2018-19 New Student Yearbook Purchase

New students who registered *after* January 18th will receive an order form to purchase a Yearbook for \$25 between May 6th - 9th.

2018-19 Yearbook Drawing

Any yearbooks still available after the new student purchase can be purchased through our Yearbook Drawing. Orders will be taken from May 10th – 14th. A random drawing will be held on May 15th to give out the remaining yearbooks until they are gone. Any student wishing to enter the Yearbook Drawing must pay \$30 when placing the order. The money will be held until the drawing and returned if your order is unfulfilled.

QUOTE OF THE MONTH

"For last year's words belong to last year's language and next year's words await another voice. And to make an end is to make a beginning."

Arrival and Dismissal Information

All parents/guardians must wait until 3:10 to enter the campus and form a line to pick-up a student using the car rider process for dismissal. This applies to any area on campus.

We ask that all vehicles in the afternoon pickup line have the car rider tag clearly visible with the names of all children you are picking up. Each family will receive complimentary signs. Additional signs may be picked up in the office. Please make sure you bring your ID. All students should be picked up in the car rider line. If you walk up to get your child, you will be sent to the office to sign your child out. Every 3rd sign out will be 1 early dismissal.

Best Practices for Arrival to Support the Efficient Flow of Traffic for Everyone

- Arrival Balance – The current wait time between 8:00 and 8:25 is less than 2 minutes as traffic is continuously flowing. It is important that more students arrive between this time to create a better arrival balance. Students not in the building by 8:45 will be considered tardy.
- Exit Vehicles Quickly (right side only) – It is important that students are prepared to exit vehicles quickly with all things ready for the school day. Please pull all the way forward to eliminate gaps in the line. Students need to exit at the first location on the sidewalk instead of waiting to get to the front of the line.
- Limit Walk-Ups and Gym Lot Use - The gym parking area and walk-ups should only be used in rare situations involving temporary needs.

Did You Know?

MAY 6th – MAY 10th

Since 1984, National PTA has designated one week in May as a special time to honor the men and women who lend their passion and skills to educating our children. PTA events at the national, state and local levels

celebrate the outstanding contributions teachers make. National PTA also serves on the selection committees for the National Teacher of the Year Program. Take the time to show your appreciation during Teacher Appreciation Week. Click below and use this cut-and-fold thank you card to share a message straight from the heart with all of the stellar educators you know!
